

ALL IS ACCOUNTED FOR (AIAF)

All Is Accounted For (AIAF) is a full-service accounting firm that can help your business with every aspect of financials from setting up or Troubleshooting Quickbooks, to filing taxes, to managing payroll, to acting as your company's virtual accounting department.

All Is Accounted For (AIAF) is a full-service accounting firm dedicated to helping you spend less time and effort on your business finances so you can be free to focus on the other aspects of your business. AIAF offers a broad range of solutions that will be tailored to your specific business needs. AIAF clients get to decide how much and/or how often services are needed.

AIAF prides themselves on their commitment to the highest standards of integrity and ethical behavior so you can breathe easy knowing that your business is secure when you work with them.

Jacque, the owner of AIAF, has been in the accounting business for more than 10 years and is a certified QuickBooks® ProAdvisor. With her advanced and continued training on QuickBooks® she is qualified to help your business customize and optimize your QuickBooks®, as well as help troubleshoot any issues that might come up. Jacque started AIAF in 2013 following several years of bookkeeping and tax work for construction firms. She has worked with all sizes and types of businesses and is eager to get started with your business. In addition to QuickBooks®, Jacque is also trained in Wave, Freshbooks, and Xero accounting software.
